3 Things to watch out for when shopping online for the holidays

- 1. Fake fraud alerts. If you receive an unexpected call or message about a fraudulent purchase, don't engage. Contact the merchant, your bank, or card provider directly to verify.
- 2. Bogus shipping notifications. Be wary of texts or emails reporting an issue with your package delivery. Don't click links or open attachments without verifying first.  
Tip: If you receive an unexpected package, don't scan the QR code as it could point to a fake website.
- 3. AI-created scam websites. Avoid advertised links from search results. Double check the URL for misspellings or extra characters before clicking "Buy".  
Tip: Use a credit card to make online purchases if you can - it has additional protection.

Donate safely and avoid charity scams

Before donating, research new charities using a resource like Better Business Bureau® or give.org.
